

School Closure

The Superintendent may order the closure of schools in the event of extreme weather, facility failures or other emergency, in compliance with established procedures for notifying parents, students and staff.

For all schools, no co-curricular or extracurricular practices will be held on full-day closings. On such days, at the middle school level, no games or activities will be played. At the high school level, all games and activities will be decided on a case-by-case basis in consultation with the coach, athletic director, site and district administrator and transportation director based on issues of safety.
