

Section 504 of the Rehabilitation Act of 1973

It is the intent of the District to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 be provided with a free appropriate public education (FAPE). These regulations also require identification, evaluation, provision of appropriate services, and procedural safeguards in every public school in the United States. In addition, Section 504 covers all students who meet the definition of having a disability as defined in the IDEA 2007. However, not all individuals who have been determined to have a disability under Section 504 will be considered disabled under the IDEA 2007.
