

Student Fees, Fines and Charges / Return of Property

Within the concept of free public education, the District shall provide an educational program for the students as free of costs as possible.

A student may be charged a reasonable fee for any course or activity not reasonably related to a recognized academic and educational goal of the District or any course or activity held outside normal school functions.

The Board delegates authority to the Superintendent to establish appropriate fees and procedures governing the collection of fees and to make annual reports to the Board regarding fee schedules. Fees may be required for the actual cost of breakage and of excessive supplies used in courses such as commercial, industrial arts, music, domestic science, science or agriculture.

A student shall be responsible for the cost of replacing materials or property that is lost or damaged due to negligence. The District may require, as a condition of graduation, issuance of a diploma or certificate, issuance of a transcript, that all indebtedness incurred by a student be satisfied, or that all books or other instructional material, uniforms, athletic equipment, advances on loans or other personal property of the District be returned. The Board may waive such fees if the Board determines the imposition of such fees would constitute a financial hardship.
