

Political Activity - Staff Participation

The Board recognizes its individual employees' rights of citizenship, including, but not limited to, engaging in political activities. An employee of the District may seek an elective office, provided that the staff member does not campaign on school property during working hours, and provided all other legal requirements are met. The District assumes no obligation beyond making such opportunities available.

No person may attempt to coerce, command or require a public employee to support or oppose any political committee, the nomination or election of any person to public office, or the passage of a ballot issue.

The District shall not restrict constitutionally protected political speech of employees during non-instructional times in non-student contact settings, such as during duty-free periods in faculty break rooms and lounges during the school day or during afterschool events.
